

Nature in Art's Activity Days 2019

*Museum and art gallery
dedicated to art inspired by nature!*

Important Information

Nature in Art runs a variety of holiday activity sessions for children throughout the year.

All cost just £6 and include entrance to the gallery for one adult and one child.

All activities need to be booked in advance via:

www.natureinart.org.uk

(Click the learning tab at the top of the page)

Please note:

If PayPal does not let you book a place then the session is full.

Our activities use age-appropriate materials and techniques. On each of the Activity Day workshops, themes are adapted and run at the following times:

10.30 - 12.00pm: for 3 – 7 years

1.00 - 2.30pm: for 3+ years

3.00 - 4.30pm: for 8 – 18 years

If you have any questions or have problems booking an activity please email Catherine (Education Officer) who is more than happy to help you.

Please keep checking our website, for information about Family Fun Days, exhibitions and other events happening at Nature in Art.

***please note, the activities may change.**

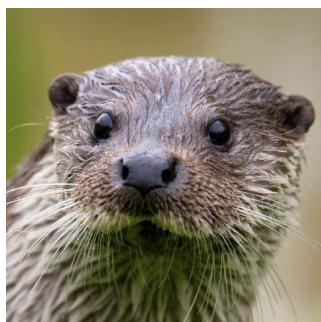

We are looking forward to seeing you here for fun and crafts.

Save the Dates!

FAMILY FUN DAYS!

We are delighted to say that we will be organising three Family Fun Days throughout the year.

Monday 27th May

An Otter Experience

Daphne Neville will be here to share her passion and knowledge for otters. She will be accompanied by one of her furry friends for you to meet.

We will also be doing otter related art activities.

Saturday 20th July.

Walk with Hawks!

Come along for arts and crafts based around birds of prey.

Walk with Hawks will also be here and will bring some of their birds— hawks, falcons, owls - for you to meet and learn about.

Friday 30th August.

Discovery Day!

Come along for an educational and fun day with Cheltenham Science Group, who will be demonstrating different science experiments.

Easter Holidays.

Hammers at the ready! This week we will be using hammer and nails to build/create fantastic things.

Tuesday 9th April

Bug Hotel.

All creatures great and small need somewhere warm and safe to stay. These bug hotels provide a perfect hiding place and are a fantastic opportunity for your little ones to observe and learn more about bugs.

Wednesday 10th April

Robin Nesting Box.

This nesting box provides protection for Robins as they make their nests ready for their eggs.

Thursday 11th April

String Art.

Still using our hammers and nails and wool we create these stunning pictures.

Friday 12th April

Clock Making.

Functional and fabulous! These clocks will make a great addition to your bedroom. We will provide all the parts, all you have to do is design your clock.

Easter Holidays.

This week we will be preparing for Easter.

Tuesday 16th April

Decorate an egg.

We will be looking at different ways we can decorate a plastic egg—painting, sticking things onto it.

Wednesday 17th April

Easter/Spring Batik.

A favourite of ours! Using hot wax to create the outline and fabric paints to colour the picture we will make stunning Spring/Easter designs.

Thursday 18th April

Egg Shell Mosaic.

We will use painted egg shells to make an egg mosaic!

Friday 19th April

Easter Wreath.

Decorate your home with a beautiful Easter wreath. Who knows—the Easter bunny may leave another egg for you to enjoy!
