

Nature in Art's Activity Days 2019

*Museum and art gallery
dedicated to art inspired by nature!*

Important Information

Nature in Art runs a variety of holiday activity sessions for children throughout the year.

All cost just £6 and include entrance to the gallery for one adult and one child.

All activities need to be booked in advance via:

www.natureinart.org.uk

(Click the learning tab at the top of the page)

Please note:

If PayPal does not let you book a place then the session is full.

Our activities use age-appropriate materials and techniques. On each of the Activity Day workshops, themes are adapted and run at the following times:

10.30 - 12.00pm: for 3 – 7 years

1.00 - 2.30pm: for 3+ years

3.00 - 4.30pm: for 8 – 18 years

If you have any questions or have problems booking an activity please email Catherine (Education Officer) who is more than happy to help you.

education@natureinart.org.uk

Please keep checking our website, for information about Family Fun Days, exhibitions and other events happening at Nature in Art.

***please note, the activities may change.**

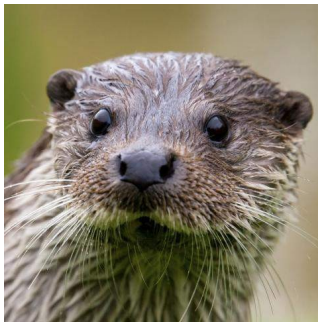

We are looking forward to seeing you here for fun and crafts.

Save the Dates!

FAMILY FUN DAYS!

We are delighted to say that we will be organising three Family Fun Days throughout the year.

Monday 27th May

An Otter Experience

Daphne Neville will be here to share her passion and knowledge for otters. She will be accompanied by one of her furry friends for you to meet.

We will also be doing otter related art activities.

Saturday 20th July.

Walk with Hawks!

Come along for arts and crafts based around birds of prey.

Walk with Hawks will also be here and will bring some of their birds— hawks, falcons, owls - for you to meet and learn about.

Friday 30th August.

Discovery Day!

Come along for an educational and fun day with Cheltenham Science Group, who will be demonstrating different science experiments.

May Half-Term.

Calling all knights and ladies! This week we will be going back in time and doing all things medieval to get us ready for the Tewkesbury Medieval Festival happening in July.

Tuesday 28th May

Make a Helmet.

Even the bravest of knights need a helmet to protect their heads. We will be using cardboard to make our helmets.

Wednesday 29th May

Coat of Arms/Banner.

A coat of arms/banner identified which house you fought for and therefore which side you were on. We will be using different materials to make our coat of arms/banner.

Thursday 30th May

Clay Tower.

It's amazing what you can make with a lump of clay and some imagination. We will learn different techniques in modelling clay and will make a castle tower.

Friday 31st May

On Target.

Take aim! And Fire!

In this session we will be making a catapult and testing to see how far and accurately we can fire things.
